Number of votes required to pass a resolution: Majority vote of the shareholders who attend the meeting and cast their votes.

Agenda Item 2: To acknowledge the Company's performance report for the fiscal year starting from 1 January 2017 to 30 September 2017

Fact and rationale: The Company's performance report and material changes of the Company for the fiscal year starting from 1 January 2017 to 30 September 2017 as shown in the 2017 Annual Report as **Annex 2** of this Notice.

Board of Directors' opinion: It is considered appropriate to report the Company's performance and material changes of the Company for the fiscal year starting from 1 January 2017 to 30 September 2017 to the Meeting of Shareholders for acknowledgement.

Agenda Item 3: To consider and approve the audited financial statements for the fiscal year starting from 1 January 2017 to 30 September 2017

Fact and rationale : According to Section 112 of the Public Limited Companies Act 1992 and Article 37 of the Company's Articles of Association, which stipulate that the Board of Directors shall arrange for preparation of the Company's balance sheet and income statement at the end of each fiscal year, and shall propose to the Meeting of Shareholders at the Annual General Meeting of Shareholders to consider approving of them and such balance sheet and income statement shall be audited by the Company's auditors prior to proposing to the Meeting of Shareholders.

For the Financial Statements for the fiscal year starting from 1 January 2017 to 30 September 2017 which have been audited and certified by the certified public accountant, the Audit Committee and the Board of Directors considered it is fairly

presented in accordance with the Financial Reporting Standards as shown in the 2017 Annual Report sent to the shareholders as **Annex 2** of this Notice.

Board of Directors' opinion: It is considered appropriate for the Meeting of Shareholders to approve the Financial Statements for the fiscal year starting from 1 January 2017 to 30 September 2017 which have been audited and certified by a certified public accountant, and approved by the Audit Committee and the Board of Directors.

Number of votes required to pass a resolution: Majority vote of the shareholders who attend the meeting and cast their votes.

Agenda Item 4: To consider and approve allocation of profits derived from operational results for the fiscal year starting from 1 January 2017 to 30 September 2017 as the legal reserve and dividend payment

Fact and rationale: The Company's policy is to pay dividend at a rate of not less than 50% of the Company's net profit after tax deduction and appropriation of reserve funds each year under the consolidated financial statement. The payment of dividends, nonetheless, depends on the investment plan's condition, the necessity and appropriateness in the future. The payment of dividends shall be approved by the Board of Directors and the shareholders as applicable, except for the interim dividend payment which the Board of Directors has the authority to approve and report to the next Shareholders' meeting for acknowledgement. This is in accordance with article 39 of the Company's Articles of Association.

Regarding the Company's operating results for the fiscal year 2017 starting from 1 January 2017 to 30 September 2017, the Company has a net profit of Baht 1,086.48 Million and under Section 116 of the Public Companies Act and article 40 of the Company's Articles of Association, the Company shall allocate not less than 5 percent of the annual profits less the retained deficit brought forward (if any) as legal reserve, until the reserved amount reach 10 percent of the registered capital. The Board of directors propose to provide Baht 60 Million for legal reserve.

After the allocation for legal reserve, the unappropriated retained earnings were shown at Baht 1,026.48 Million. The company has adequate cash flows to distribute to shareholders. According to Section 115 of the Public Companies Act, and article 39 of the Company's Articles of Association, the Board of Directors proposed to pay the 2017 dividend at the rate Baht 0.25 per share for 2,323,720,000 ordinary shares, totalling Baht 580.93 Million. The Company will pay dividend to the shareholders whose names are registered in the Shareholders' Registry as of the record date on Friday 15th December 2017. The dividend payment date is scheduled on Wednesday 14th February 2018. As dividend was paid from the profits income tax of 20%, individual investors can submit the tax credit for the amount of dividend times 2/8.

Board of Directors' opinion: It is considered appropriate for the Meeting of Shareholders to approve the profit appropriation from the operating results of the year 2017 for legal reserve and dividend declaration as follows:

- Allocate net profit as the Legal Reserve amounting to Baht 60 Million.
- Pay dividend from the Company's net profits of year 2017 at the rate of Baht 0.25 per share, totalling Baht 580.93 Million. The Company will pay dividend to the shareholders whose names registered in the Shareholders' Registry as of the record date on Friday 15th December 2017. The dividend payment date is scheduled on Wednesday 14th February 2018.

The Board of Directors considered that the rate of dividend specified above is appropriate and complied with the Company's dividend policy, which is approximately 53.1% and 54.2% for the fiscal year starting from 1 January 2017 to 30 September 2017 based on annual profit of consolidated and separate financial statements, respectively.

The dividend for the fiscal year starting from 1 January 2017 to 30 September 2017 at the rate of Baht 0.25 per share is higher than that of year 2016. For the year 2016, the Company paid dividend at the rate Baht 0.23 per share, totalling Baht 534.5 Million which

is approximately 51% and 50.5% of the 2016 annual profit of consolidated and separate financial statements, respectively.

Number of votes required to pass a resolution: Majority vote of the shareholders who attend the meeting and cast their votes.

Agenda Item 5: To consider and approve the election of directors replacing those being retired by rotation for the year 2018

Fact and rationale: According to Section 71 of the Public Limited Companies Act 1992 and Article 17 of the Company's Articles of Association, one-third of the total number of directors who hold the office longest shall retire at every Annual General Meeting of the Shareholders. The 3 directors who shall retire by rotation this year are as follows:

1) Mr. Thapana	Sirivadhanabhakdi	A Member of the Board of Directors,
2) Mr. Chainoi	Puankosoom	Independent Director
3) Mr. Udom	Puasakul	Independent Director.

In this regard, the Company had also given the opportunity to the shareholders to propose the list of persons for consideration to be elected as directors of the Company at the 2018 Annual General Meeting of the Shareholders via the Company's website during 1st June 2017 – 30th September 2017 according to the principle of good corporate governance for listed companies; however, there was no shareholder proposing the list of persons for consideration to be elected as directors of the Company.

Board of Directors' opinion : The Board of Directors, without participation of any of the directors having interests therein, considered and agreed with the proposal made by the Compensation and Nominating Committee, without participation of any of the members of the Compensation and Nominating Committee having interests therein, deems it appropriate to propose the Meeting of Shareholders to approve that all these 3 directors be re-elected as the Company's directors for another term and to hold the same positions in the committee(s), namely :

1.	Mr. Thapana	Sirivadhanabhakdi	Director
2.	Mr. Chainoi	Puankosoom	Independent Directors
3.	Mr. Udom	Puasakul	Independent Directors

Since all 3 directors are equipped with good knowledge, experience and have adequate qualifications according to the Public Limited Companies Act, without any prohibited characteristics, for the appointment as directors of the Company under the criteria of the Office of the Securities and Exchange Commission and other related authorities. Mr. Chainoi Puankosoom and Mr. Udom Puasakul are qualified to act as an independent director and a member of the Audit Committee and had been able to give his opinion independently from the management and in compliance with the relevant regulations and laws. Biographies of the directors and the Definition of Independent Directors have been sent to shareholders together with this Notice as **Annex 3.**

Number of votes required to pass a resolution: Majority vote of the shareholders who attend the meeting and cast their votes.

Agenda Item 6: To consider and approve the directors' remuneration for the year 2018

Fact and rationale: In compliance with Section 90 of the Public Limited Company Act 1992, the Meeting of Shareholders shall approve the remuneration of the directors.

Board of Directors' opinion: In order to support the directors to continue the effective directorship to the Company, the Board of Directors agrees with the Compensation and Nominating Committee's proposal to review and revise the directors' remuneration from the appropriateness of the scope of duties and responsibilities of each Committee, the director's knowledge, competency, experience and performance under current circumstances. In

consideration of the expertise demanded by the Company during business expansion and the comparison to the reference data of the same industry based on the Directors' Compensation Survey of Listed Companies of the Thai Institute of Directors (IOD), the Board of Directors, therefore, deems it appropriate to propose the Meeting of Shareholders to consider and approve the remuneration of the directors and the members of Committees for the year 2018 as follows:

Baht/person	Chairman		Member	
	Meeting Allowance (Baht/meeting)	Monthly Retainer Fee (Baht/month)	Meeting Allowance (Baht/meeting)	Monthly Retainer Fee (Baht/month)
Remuneration for the Board of Directors	25,000	35,000	20,000	25,000
Remuneration for the Executive Committee	-	25,000	-	20,000 ¹
Remuneration for the Audit Committee	-	40,000	-	30,000
Remuneration for the Compensation and Nominating Committee	22,000	-	18,000	-
Remuneration for the Corporate Governance Committee	22,000	-	18,000	-

Remark : /1 Excludes the members of the Executive Committee who are the executives of the Company. In this regard, the remuneration of the Board of Directors and the committee(s) for the year 2018, including extra remuneration (if any), shall not exceed Baht 9,000,000 (Nine Million Baht) which is equivalent to the amount approved by 2016 Annual General Meeting of Shareholders. In the case of the extra remuneration, the Compensation and Nominating Committee is authorized to consider and allocate it as appropriate which will be based on the performance results of the company. The total remuneration for the directors for the year 2017 was Baht 6,440,000 (Six million, Four Hundred and Forty Thousand Baht).

Number of votes required to pass a resolution: Not less than two-thirds (2/3) of the shareholders who attend the meeting.

Agenda Item 7: To consider and approve the appointment of auditors and the determination of the audit fee for the year 2018

Fact and rationale: In accordance with Section 120 of Public Limited Companies Act 1992 and Article 41 of the Articles of Association of the Company, the Annual General Meeting of Shareholders is required to appoint the Company's auditors and approve the audit fee annually.

Audit Committee's opinion : The Audit Committee has considered and selected auditors for the year 2018 and proposed to the Board of Directors' Meeting No. 5/2017 held on 24th November 2017, to consider and propose the Meeting of Shareholders to appoint KPMG Phoomchai Audit Limited to be the auditors of the Company by having one of the following auditors to be the Company's auditor and to express his/her opinion on the Financial Statements of the Company for the year 2018:

1. Mrs. Wilai Buranakittisopon Certified Public Accountant No.3920; or
2. Miss Nittaya Chetchotiros Certified Public Accountant No.4439; or
3. Miss Napaporn Sathitthammaporn Certified Public Accountant No.7494

Since KPMG Phoomchai Audit Limited offered the reasonable audit fee when comparing with the scope of work.

In addition, the Audit Committee has considered and proposed to the Board of Directors' Meeting No. 5/2017 to consider and propose the Meeting of Shareholders to determine the audit fee for the year 2018 at Baht 1,320,000 (One Million, Three Hundred and Twenty Thousand Baht). Details are as follows:

- Baht 570,000 for the annual financial statements audit fee
- Baht 750,000 for the interim financial statements audit fee

Notwithstanding the foregoing, the Company has changed its accounting period, which ends in September instead of December, the audit fee for the fiscal year of 2017 was reduced by one quarter, whereby there will be 12 months the fiscal year of 2018. Consequently, the audit fee for the annual financial statement increases Baht 70,000 and the audit fee for the interim financial statement increases Baht 250,000, respectively.

KPMG Phoomchai Audit Limited and the 3 mentioned auditors do not have any relationships and conflict of interest with the Company, its subsidiaries, executives, major shareholders or their related persons; therefore, it is independent in auditing and expressing its opinion on the Financial Statements of the Company and its subsidiaries. In addition, the above-named auditors have not audited the accounts of the Company for a consecutive period of 5 fiscal years.

Board of Directors' opinion: The Board of Directors has considered the proposal of the Audit Committee and considered it appropriate for the Meeting of Shareholders to approve the appointment of auditors and the determination of the audit fee as follows:

1. To appoint KPMG Phoomchai Audit Limited to be the Company's auditors consisting of the following persons;

1. Mrs. Wilai Buranakittisopon Certified Public Accountant No. 3920; or
2. Miss Nittaya Chetchotiros Certified Public Accountant No. 4439; or
3. Miss Napaporn Sathitthammaporn Certified Public Accountant No. 7494

Either one of the auditors mentioned above would have the power to examine, prepare and sign audit reports. In appointing the auditors, the Board of Directors took into consideration the readiness, scope of services, audit fees together with the auditors' experience, independency without relationship and conflict of interest with the Company, subsidiaries, executives, major shareholders or their related persons, as well as audit process and audit continuity.

In this regard, Mrs. Wilai Buranakittisopon has been proposed to be the auditor for the year 2015 – 2017 and was the endorsed auditor for the year 2016, Miss Nittaya Chetchotiros was proposed to be the auditor for the year 2016 – 2017 and was the endorsed auditor for the year 2009 and year 2012 – 2015, and Miss Napaporn Sathitthammaporn was proposed to be the auditor for the year 2016-2017.

2. To determine the audit fees to be not exceeding Baht 1,320,000 (One Million, Three Hundred and Twenty Thousand Baht) in total consist of;

-The Company's yearly audit fee	570,000	Baht
-The Company's quarterly reviewing fee	<u>750,000</u>	Baht
Total	<u>1,320,000</u>	Baht

The details of the Company's and its subsidiaries' payment of the audit fees for the year 2015 - 2017 for the reviewing and auditing the Company's and its subsidiaries' Financial Statements by KPMG Phoomchai Audit Limited was as follows:

Mr. Wanchai Sarathulthath, the Chairman of the Board, who presided as the Chairman of the Meeting (the “**Chairman**”) welcomed and expressed his appreciation to all shareholders for their attendance at the meeting. The Chairman also informed the shareholders that this 2017 Annual General Meeting of Shareholders No. 24 (the “**Meeting**”) was convened by virtue of the resolution passed by Board of

Directors Meeting No. 1/2017, convened on 22 February 2017, of Golden Land Property Development Public Company Limited (the "**Company**"), in order to consider the matters stipulated in the notice of this meeting.

The Company scheduled Thursday 9 March 2017 as the date to record the names of the shareholders who are entitled to attend the 2017 Annual General Meeting of Shareholders No. 24 (Record Date) and Friday 10 March 2017 as the date to close the share register listing the names of the shareholders (Closing Date) in compliance with Section 225 of the Securities and Exchange Act B.E. 2535 (1992) (including any amendment thereto).

The Company's paid-up capital was Baht 11,037,670,000, equivalent to the total of 2,323,720,000 shares with the rights to attend the Meeting held by 5,357 shareholders. There were 68 shareholders attending the Meeting in person holding 8,400,677 shares, equivalent to 0.36152 percent of the total issued shares of the Company, and 83 shareholders attending the Meeting by proxy holding 2,012,334,507 shares, equivalent to 86.59970 percent of the total issued shares of the Company, totaling 151 shareholders attending the Meeting in person and by proxy holding an aggregate amount of 2,020,735,184 shares, equivalent to 86.96122 percent of the total issued shares of the Company. Due to the percentage of shares held by the shareholders attending the Meeting exceeding one-third of the total issued shares of the Company, a quorum was thus constituted in accordance with the Company's Articles of Association.

Prior to the consideration of the agenda items, the Chairman introduced the nine directors attending the Meeting, which was equivalent to 100 percent of the total number of directors, and the executives, auditors, and legal advisors attending the Meeting.

The Chairman additionally informed the Meeting that, for the purposes of good corporate governance principles and equality for all shareholders, prior to the commencement of this Meeting, the Company had given all shareholders the opportunity to propose agenda items to be discussed in the Meeting and to nominate a person to hold office as a director of the Company in accordance with the rules specified by the Company via the Company's website (www.goldenland.co.th) during the period from 1 October 2016 to 31 December 2016. However, no shareholders proposed any additional agenda item or nominated any person to hold office as a director.

The Chairman delegated Mr. Thanapol Sirithanachai, Director and President, to clarify the voting procedures for each agenda item to the shareholders. The voting procedures were as follows:

- A shareholder will have the number of votes equivalent to the number of shares he / she holds in the Company, whereby one share is equivalent to one vote.
- With respect to the vote counting on each agenda item, the Company shall count the votes cast by the shareholders attending the Meeting in person and the shareholders who have appointed a proxy and cast their votes in advance in the Proxy Form submitted at the registration of the Meeting. The vote counting shall be conducted in three ways, according to each agenda item, as follows:
- The votes on an agenda item for which the approval thereon requires a majority vote of the shareholders attending the Meeting and casting their votes shall be counted by only accumulating the votes of approval or disapproval cast by the entitled shareholders as a base. The votes of abstentions shall be excluded.
- The votes on an agenda item for which the approval thereon requires votes of no less than three-quarters of the total votes cast by the shareholders attending the Meeting and eligible to vote shall be counted by accumulating all votes of approval, disapproval, and abstention.

- The votes on an agenda item for which the approval thereon requires votes of no less than two-thirds of the total votes cast by the shareholders attending the Meeting shall be counted by accumulating all votes of approval, disapproval, and abstention.
- If any shareholder wishes to vote for disapproval or to abstain from voting, such shareholder will mark ☒ under 'disapproval or 'abstention' on his or her ballot card and raise his or her hand to signify for the staff to collect the relevant ballot card for the purpose of vote counting. A shareholder who votes for approval or does not abstain from voting shall be deemed to approve the matter under such agenda item.
- For Agenda Item 2, no votes are required as the purpose of the agenda item is to acknowledge the operational results for the year 2016.
- For Agenda Item 9 which is the agenda item to be discussed for the election of directors in place of those who are due to retire by rotation for the year 2017, for the purpose of transparency, it is requested that the Meeting consider the election on a person by person basis by using the voting procedures as set out above.
- Any votes cast in the following manner shall be considered void or invalid and shall not be counted as a vote:
 - 1) A ballot card that is filled with more than one mark in the spaces provided, except in the case of a custodian;
 - 2) A ballot card that casts a vote expressing a conflict of intent, except in the case of a custodian;
 - 3) A ballot card that expresses no intention to vote;
 - 4) A ballot card with votes that have been crossed out with no signature; and
 - 5) A ballot that is cast with votes exceeding the number of voting right to which the shareholder is entitled.

Prior to the voting on each agenda item, the Chairman will give shareholders an opportunity to raise questions and express their opinions concerning such agenda items as the Chairman deems appropriate. The shareholders or proxies who wish to raise questions or express their opinions shall declare their full name to the Meeting each time before asking any question or expressing any opinion for the purpose of the recording of the Minutes.

In the case where a shareholder has questions or opinions not concerning the agenda item under discussion, such question or opinion shall be asked or expressed under the agenda items arranged for other matters. For the purpose of time management and also for the Meeting to be smoothly convened, the Company would like to request for the shareholders' cooperation to concisely express opinion and raise question in a non-repetitive manner in order to equally open the opportunity for other shareholders to give opinion and raise question. Furthermore, in order to prevent the Meeting from waiting for the results of the vote counting of the agenda item under discussion, it is proposed that the Meeting continues discussing the next agenda item without waiting for the result, and after such next agenda item is concluded, the Company will inform the Meeting of the voting result of the preceding agenda item. In addition, for the purposes of transparency of the vote counting, the Company asked Miss Thitiporn Buranavorasil, the representative from Weerawong, Chinnavat & Partners Ltd., the Legal Advisor of the Company, to act as a witness for the vote counting to ensure that the Meeting is conducted transparently, in accordance with the law and the Company's Articles of Association pursuant with the good corporate governance principles of listed companies. The Company also asked for a volunteer from the shareholders attending the Meeting to act as a witness in the vote counting. In this regard, Mr. Thanapol Poolpoem, a proxy, volunteered to perform the duty.

The Chairman then conducted the Meeting in accordance with the agenda items, as follows:

The Chairman then asked the Meeting whether or not there were any shareholders who wished to raise any questions or express any opinions. There were shareholders or proxies who raised questions or expressed opinions as follows:

- **Miss Jinnapak Pornpiboon, a shareholder,** asked: The existing amount of proceeds derived from the previous issuance of debentures is equivalent to billions of Baht. Is such amount insufficient, and if so, how? When does the Company plan to use the proceeds from the proposed issuance of debentures on this occasion?

The SEVP - Accounting and Finance explained: the existing amount of proceeds derived from the previous issuance of debentures is insufficient for the business expansion. The Company plans to use the proceeds derived from this issuance

of debentures this year or next year, depending on the market conditions. Please note that the amount of proceeds derived from the proposed issuance of debentures is not unrealistically high.

- **Miss Jinnapak Pornpiboon, a shareholder**, asked: Will the additional amount for which approval is sought on this occasion have an adverse impact on the Debt to Equity ratio of the Company?

The SEVP - Accounting and Finance explained: The request for approval of an additional amount is for the purpose of reserving funds in preparation for potential investment opportunities in the future. The Company will base its consideration primarily on its debt obligations and interest on loans.

- **Mr. Suriyon Jintrapan, a shareholder**, asked: Given as the documents relating to the issuance of debentures fail to show information on the applicable interest rate, what is the applicable interest for the Company's issuance of debentures on this occasion? Would the finance costs of the Company be reduced considering that the Company has a higher credit rating than in the past? Would this factor have an impact on the interest rate that the Company will apply?

The SEVP - Accounting and Finance explained: The Company is unable to determine a fixed interest rate for the proposed issuance of debentures at this time. However, considering the market conditions and the costs to be borne by the Company, such rate should be similar to the rate applicable to the previous issuance of debentures. If the credit rating is higher, the interest rate charged by the Company would decrease.

- **Mr. Suriyon Jintrapan, a shareholder**, asked: In which quarter does the Company expect to issue the debentures and in how many tiers will debentures be issued?

The SEVP - Accounting and Finance explained: The Company is currently considering when to issue the debentures. It expects to issue the debentures around the end of the second quarter or the third quarter. No response can be given in respect of the details of the issuance of debentures at this time. However, considering the Company's potential, the Board of Directors is confident that the Company will be able to efficiently use the finance costs.

- **Mr. Supoj Ueachailertkul, a shareholder**, asked: Why is the Company requesting for approval of a large amount for the issuance of the debentures despite the fact that it had already issued bills of exchange? Is it possible to issue debentures in a foreign currency?

The SEVP - Accounting and Finance explained: At present, the Company issues both debentures and bills of exchange because: a) the bills of exchange are a short term financial instrument that meets the Company's short term capital needs; and b) debentures are a long term financial instrument that meets the Company's long term capital needs. The Company does not require that debentures be solely issued in Thai Baht. However, if the Company wishes to issue debentures in a foreign currency, the Company would take the risks associated with the foreign exchange rate into consideration.

No shareholders asked any further questions and/or expressed any further opinions. The Chairman, therefore, proposed that the Meeting approve the additional issuance and offering of Debentures up to Baht 3,000 million with aggregated offering size not exceeding Baht 10,000 million, and the authorization of the Board of Directors, and/or the Executive Committee, and/or a person

delegated by the Board of Directors to undertake any act relevant to and/or in connection with the above issuance and offering of the debentures.

The Chairman informed the Meeting that the resolution on this agenda item shall be passed by votes of no less than three-quarters of the total votes cast by the shareholders attending the Meeting and eligible to vote.
