Board of Directors' opinion: It is considered appropriate to propose the Minutes of the 2022 Annual General Meeting of Shareholders No. 29, which was held on 11 January 2022, that the Board of Directors has deemed that it was made correctly, to the Meeting of Shareholders for certification.

Number of votes required to pass a resolution: A majority vote of the shareholders attending the meeting and casting their votes.

Agenda Item 2: To acknowledge the Company's performance report as of 30 September 2022

Fact and Rationale: The Company has prepared performance report and material changes of the Company occurred in the fiscal year ended 30 September 2022, the details of which are described in the 2022 Annual Report enclosed hereto as Annex 3.

Board of Directors' opinion: It is considered appropriate to report the Company's performance report and material changes occurred in the fiscal year ended 30 September 2022 to the Meeting of Shareholders for acknowledgement.

Number of votes required to pass a resolution: This agenda item is for acknowledgement; no voting is required.

Agenda Item 3: To consider and approve the audited financial statements for the year ended 30 September 2022

Fact and Rationale: In compliance with Section 112 of the Public Limited Companies Act B.E. 2535 (1992), including the amendment thereof, (the "Public Limited Companies Act") and Article 37 of the Company's Articles of Association which stipulate that the Board of Directors shall prepare the Company's balance sheet and income statement as at the end of each fiscal year of the Company, and shall propose to the Annual General Meeting of Shareholders for approval and shall arrange it to be audited by the Company's auditors before being proposed to the Meeting of Shareholders.

The financial statements for the fiscal year ended 30 September 2022 which have been audited and certified by the certified public accountant and the Board of Directors considered they are correct in accordance with the Financial Reporting Standards, the details of which are described in the 2022 Annual Report which was delivered to the shareholders with the notice calling this Meeting as Annex 3.

Board of Directors' opinion: It is considered appropriate to propose the financial statements for the fiscal year ended 30 September 2022 which have been audited and certified by a certified public accountant and approved by and the Board of Directors to the Meeting of Shareholders for approval.

Number of votes required to pass a resolution: A majority vote of the shareholders attending the meeting and casting their votes.

Agenda Item 4: To consider and approve the allocation of profits for legal reserve and dividends payment for the fiscal year ended 30 September 2022

Fact and Rationale: The Company's policy is to pay dividends at a rate of not less than 50% of the Company's net profit after tax deduction and appropriation of reserved funds under the consolidated financial statements, depending on the investment plan, and the operational plan, financial status, as well as necessity and appropriateness in the future. The payment of dividends shall be approved by the Board of Directors and the shareholders as appropriate, except for the interim dividend payment which the Board of Directors has the authority to approve the payment and report to the next shareholders'

meeting for acknowledgement, according to Article 39 of the Company's Articles of Association.

In the fiscal year 2022 ending 30 September 2022, the Company has a net profit of 1,563.275 Million Baht based on the consolidated financial statement. Under Section 116 of the Public Limited Companies Act and Article 40 of the Company's Articles of Association, the Company shall allocate not less than 5 percent of the annual net profit less the retained deficit brought forward (if any) as a legal reserve, until the legal reserve amount reaches not less than 10 percent of the Company's registered capital (approximately 80 Million Baht). The Company proposes to allocate 80 Million Baht for legal reserve. Subsequently, the Company shall have the legal reserve in the total amount of 710 Million Baht.

After the allocation for legal reserve, the Company has sufficient amount of unappropriated net profit, retained earnings and adequate cash flows to distribute to shareholders as dividend. Considering Section 115 of the Public Limited Companies Act, and Article 39 of the Company's Articles of Association, the Board of Directors has deemed it appropriated to propose to declare the 2022 dividend payment at the rate of 0.30 Baht per share for 2,323,720,000 ordinary shares, totaling 2,323,720,000 Million Baht. The dividend payment will be paid to the shareholders whose names are registered in the Shareholders' Registry on 26 December 2022 (Book Closing Date). The dividend payment date is scheduled on 7 February 2023. As dividend payment was paid from the profits which were subject to income tax of 20%, individual investors be entitled to use dividend tax credit for tax refund equivalent to the amount of dividend multiplied by 2/8.

Board of Directors' opinion: It is considered appropriate to propose that the Meeting of Shareholders approve the allocation of profits from the operational results of the fiscal year 2022 for legal reserve and dividend payment as follows:

- Allocate for legal reserve in the amount of 80 Million Baht.
- Allocate for dividend payment from the Company's operational results of the year 2022 at the rate of 0.30 Baht per share, approximately 697.12 Million Baht in total. The Company will pay dividends to the shareholders whose names appear in the Shareholders' Registry as of the Book Closing Date on 26 December 2022. The dividend payment date is scheduled for 7 February 2023

The rate of dividend payment specified above, which is approximately 41 and 45 of the net profit for the fiscal year ended 30 September 2022 based on consolidated and

separate financial statements respectively, is less than the rate of dividend payment as specified in the Company's dividend policy because the Company wishes to reserve the funds for debt repayment or additional investments in order to reduce the amount of interest and impact to the Company's operation result due to the tendency of increase loan interest rates.

Number of votes required to pass a resolution: A majority vote of the shareholders attending the meeting and casting their votes.

Agenda Item 5: To consider and approve the election of directors replacing those being retired by rotation for the year 2023

Fact and rationale: In compliance with Section 71 of the Public Limited Companies Act and Article 17 of the Company's Articles of Association, one-third of the directors who remained in office for longest period shall retire at every Annual General Meeting of the Shareholders. The 2 directors who shall retire by rotation this year are as follows:

- | | |
|---------------------------------|----------|
| 1) Mr. Panote Sirivadhanabhakdi | Director |
| 2) Mr. Somboon Wasinchutchawal | Director |

Board of Directors' opinion: The Board of Directors, without the participation of any of the directors having interests therein, deems it appropriate to propose that the Meeting of Shareholders approve that all these 2 directors are re-elected as the Company's directors for another term, namely;

- | | |
|---------------------------------|----------|
| 1) Mr. Panote Sirivadhanabhakdi | Director |
| 2) Mr. Somboon Wasinchutchawal | Director |

Since all directors are equipped with good knowledge, experience and have adequate qualifications according to the Public Limited Companies Act, without any prohibited characteristics, have appropriate qualifications for the Company's business operation, and have duly performed their duties all along. Biographies and related information of the directors propose to be elected to be directors, position as director or management in other companies/businesses and also relations of the nominated persons have been sent to shareholders together with this Notice as Annex 4.

Number of votes required to pass a resolution: Majority vote of the shareholders who attend the meeting and cast their votes.

Agenda Item 6: To consider and approve no directors' remuneration paid for the year 2023

Fact and rationale: As the Company voluntarily delisted the Company's shares from the Stock Exchange of Thailand. The board of directors of the Stock Exchange of Thailand regarding the delisting of the Stock Exchange of Thailand has ordered the delisting of the Company's shares from the Stock Exchange of Thailand with effect from 11 August 2020 onwards. The Company, as well as the Directors and the Management, no longer needs to comply with the provisions of Section 3/1 of the Securities and Exchange Act B.E. 2535. As for efficiency and appropriate management under this new status, the Board of Directors proposed that no monthly and meeting allowances be paid to the Board of Directors for the year 2023.

Board of Directors' opinion: It is considered appropriate to propose that the Meeting of Shareholders approve that no monthly directors' remuneration and meeting allowances be paid for the year 2023.

Number of votes required to pass a resolution: Not less than two-thirds (2/3) of the total number of votes of the shareholders attending the meeting.

Agenda Item 7: To consider and approve the appointment of auditors and the determination of the audit fee for the year 2023

Fact and rationale: In accordance with Section 120 of Public Limited Companies Act and Article 41 of the Company's Articles of Association, the Annual General Meeting of Shareholders is required to appoint the Company's auditors and approve the audit fee annually.

Board of Directors' opinion: The Board of Directors has considered qualifications, biography, performance, continuity and efficiency of each auditor as well as the appropriateness of the audit fee for the year 2023 and considered it appropriate for the Meeting of Shareholders to approve the appointment of auditors and the determination of the audit fee as follows;

1. To appoint KPMG Phoomchai Audit Co., Ltd. to be the Company's auditors consisting of the following persons;

- | | |
|-----------------------------------|---|
| 1. Mr. Ekkasit Chuthamsatid | Certified Public Accountant No. 4195; or |
| 2. Ms. Yuvanuch Thepsongvaj | Certified Public Accountant No. 5371; or |
| 3. Ms. Vilaivan Pholprasert | Certified Public Accountant No. 8420; or |
| 4. Ms. Kanokorn Phooriphanyawanit | Certified Public Accountant No. 10512; or |
| 5. Ms. Natcha Uwattanasombut | Certified Public Accountant No. 11416 |

Any one of the auditors mentioned above would have the power to examine, prepare and sign audit reports. In consideration for appointing the auditors, the Board of Directors took into consideration the readiness, scope of services, audit fees together with the auditors' experience, independence without relationship and conflict of interest with the Company, subsidiaries, executives, major shareholders or their related persons, as well as audit process and audit continuity.

2. To determine the audit fees for the year 2023 to be not exceeding 1,200,000 Baht in total consist of;

The Company's yearly audit fee 600,000 Baht

The Company's quarterly review fee 600,000 Baht

The Company has paid the audit fees for the year 2020 – 2022 to KPMG Phoomchai Audit Limited for the reviewing and auditing the Company's Financial Statements. The audit fees for the year 2023 is the same as the audit fees for the year 2022. In this regard, the audit fees for the year 2020 - 2022 are as follows;

Description	2022	2021	2020
Audit Fee (Unit: Baht)			
The audit fees of the Company	1,200,000	1,200,000	1,400,000

Number of votes required to pass a resolution: A majority vote of the shareholders attending the meeting and casting their votes.

Agenda Item 8: To consider and approve the amendment to the Company's Articles of Association

Fact and rationale: To comply with the Public Limited Companies Act (No. 4) B.E. 2565 (2022) (the "Public Limited Companies Act (No. 4)"), the Company is required to amend the Company's Articles of Association.

Board of Directors' opinion: It is considered appropriate to propose that the Meeting of Shareholders approve the amendment to Articles 21, 22, 23, 24, 27, 28, and 33 of, as well as the addition of Article 44 to, the Company's Articles of Association, to be in accordance with the amendment made to the Public Limited Companies Act and to approve the authorization to the person delegated by the authorized directors of the Company to proceed with the registration of the amendment of the Company's Articles of Association, including to amend and/or add additional details or wording as instructed by the registrar as necessary and appropriate; however, such amendment should not materially affect the amendment to the

The Company scheduled the book closure date for the determination of the shareholders entitled to attend the 2022 Annual General Meeting of Shareholders (Book Closure Date) to be Wednesday, 22 December 2021 until date of the 2022 Annual General Meeting of Shareholders.

The Company's paid-up capital is THB 11,037,670,000, with a par value of THB 4.75 per share, equivalent to a total of 2,323,720,000 shares, with rights to attend the Meeting held by 1,467 shareholders. In this Annual General Meeting of Shareholders, there were 2 shareholders attending the Meeting in person, holding 15,500 shares, and 37 shareholders attending the Meeting by proxy, holding 2,312,086,874 shares, totaling 39 shareholders attending the Meeting in person and by proxy, holding the aggregate amount of 2,312,102,374 shares, equivalent to 99.5000 percent of the total issued shares of the Company, which was no less than 25 shareholders and no less than one-third of the total issued shares of the Company. The Chairman then delegated Miss Sriwalee Suksri (the "**Moderator**") to clarify the voting procedures and vote counting for each agenda item of this Meeting for the shareholders.

The Moderator clarified the voting procedures and vote counting for each agenda item of the Meeting, with the details as follows:

The vote counting shall be conducted by two methods, as follows:

The votes of abstention shall be excluded.
 - (2) The votes on an agenda for which approval thereon requires votes of not less than two-thirds of the total votes of the shareholders attending the Meeting shall be counted by accumulating all votes of approval, disapproval, and abstention, cast by the shareholders attending the Meeting.

The shareholder is able to cast their vote on each agenda item by marking approval, disapproval, or abstention, through clicking the menu to vote in the system during the period in which the casting of votes is opened for each agenda item. In the case of a custodian that has submitted a proxy form and indicated their vote, the Company has already proceeded to collect such votes in the system.

- For Agenda Item 2, no votes were required, as the purpose of the agenda item is to acknowledge the Company's performance report for the year ended 30 September 2021.
- For Agenda Item 5, which covered the election of directors replacing those being retired by rotation for the year 2022, it was requested that the Meeting consider the election on a person-by-person basis for the purpose of transparency by using the voting procedure as set out above.
- Any votes cast in the following manner shall be considered invalid or void and shall not be counted:
 - 1) Votes with more than one mark in the spaces provided, except in the case of a custodian; and
 - 2) Votes cast with a vote expressing conflict of intent, except in the case of a custodian.

Prior to the voting on each agenda item, the Chairman shall give shareholders an opportunity to ask questions and express their opinions concerning such agenda items as appropriate. The shareholders or proxies can ask questions via the two following methods.

- 1) The shareholders can ask questions by typing their questions in the chat box on the system. The Company will inform the Meeting of the voting result by showing the result on the screen in four-digit decimals. When the voting result of an agenda item has been announced, it will be considered that the voting result of such agenda item has been finalized.

The Chairman then conducted the Meeting in accordance with the agenda stipulated in the notice of the Meeting, as follows:

In this regard, the Chairman informed the Meeting that the resolution on this agenda item shall be passed by a majority vote of the shareholders attending the meeting and casting their votes.

Agenda Item 2: To acknowledge the Company's performance report as of 30 September 2021

The Chairman delegated Mr. Thanapol Sirithanachai, the Director and Chief Executive Officer, to inform the Meeting of the Company's performance results for the year ended 30 September 2021.

Mr. Thanapol Sirithanachai, the Director and Chief Executive Officer, reported to the Meeting a summary of the Company's performance results for the year ended 30 September 2021, with the details as follows:

- The Company merged its operations with Frasers Property (Thailand) Public Company Limited ("**Frasers**") in 2021 and requested delisting from the Thai Stock Exchange (the "**SET**") in August 2020. Frasers currently owns approximately 99.48 percent of the Company's shares. The Company is now a part of Frasers, which operates three types of business, residential property business, industrial property and investments in related businesses, and commercial property business.
- In terms of the residential property business, the previous year was a very challenging year for the Company due to the impact of the Coronavirus Disease 2019 (COVID-19) pandemic, which caused an economic slowdown and impacted the Company's business. At present, the Company has a total of 63 projects in operation, 36 of which are townhome projects and 27 of which are detached house and twin house projects, both in Bangkok and the provinces. The impact on the Company arising out of slight reduction in the total number of pre-sale projects. In comparison to the previous year, where a total of 17 projects were opened for sale, the Company was only able to open 14 projects for sale this year. In this regard, the Company's total revenue recognition in the previous fiscal year was THB 11,427 million, a decrease of 22 percent as a result of the economic slowdown, which reduced consumers' purchasing power, and a high likelihood of a bank loan being rejected.
- For the operational plans of the Company in the year 2022, the Company has set a target of THB 13,000 million in revenue recognition. The Company is preparing to launch 21 projects, including 1) seven single-detached houses; 2) two city home projects; 3) eight townhome projects; 4) three projects in the provinces; and 5) one twin house project with a pre-sale value of THB 25,000 million. This is considered a strategic adjustment by the Company based on past experience. It has been found that there is demand for detached houses, city homes, and

luxury properties. In this regard, all 21 projects are projects in which the Company owns the land, and the Company is prepared to open all of them.

- With regard to the commercial property business, it is considerably affected by the economic slowdown and the impact of the Coronavirus Disease 2019 (COVID-19) pandemic. In terms of the occupancy rate of office buildings, the company is still able to maintain a 92 percent rate, with the exception of the Golden Land Building, which has an occupancy rate of 85 percent. However, the land lease agreement of the Golden Land Building that the Company entered into with the landowners is coming to an end in August 2022. Additionally, the Company was impacted by the decline in the occupancy rate of buildings used by the service industry (hospitality), which has decreased significantly as a result of tourists' inability to visit Thailand. At the same time, the Company expanded its office building business through the acquisition of the Silom Edge Project, which is located on the corner of Silom Road and Rama IV Road. The project is estimated to be worth approximately THB 1,800 million and has an area of approximately 50,000 square meters. The company anticipates launching the project in September 2022.

Mr. Thanapol Sirithanachai, the Director and Chief Executive Officer, delegated Mr. Somboon Wasinchutchawal, Director and Chief Finance Officer, to provide additional financial details of the Company's performance.

Mr. Somboon Wasinchutchawal, Director and Chief Finance Officer, informed the Meeting of the report on the operating results of the Company for the year ending 30 September 2021, the details of which can be located in the 2021 Annual Report via a QR code, as delivered to all shareholders together with the notice calling this Meeting, which has the details as follows:

Operating results for the year ending 30 September 2021:

The Company generated total revenue of THB 12,527 million, a decrease of 23 percent from the same period last year. The primary reasons for this are as follows:

- The Company's revenue from real estate sales decreased by THB 3,221 million, or a decrease of 22 percent. In this regard, the Company's revenue from real estate sales was THB 11,427 million, resulting from the condition of the economy not recovering well, as well as the severe and prolonged impact of the Coronavirus Disease 2019 (COVID-19) pandemic, which resulted in the government's measures closing temporary worker housing and halting construction within the maximum control zone.

- Revenue from rental and related services decreased by THB 415 million or 43 percent. The Company's revenue from rental and related services totaled THB 556 million, primarily as a result of the impact of the adoption of International Financial Reporting Standard No. 16 re: Lease Agreements, which resulted in the inability to recognize revenue-deferred leasehold rights under the land sublease agreement, totaling THB 356 million. In addition, the office building for rent business had lower income because the Golden Land Building land lease agreement was nearing the end of its lease term, causing some tenants to gradually decide not to renew their contracts, and discounts granted to tenants affected by the government's request to shut down during the lockdown.
- The hotel business's revenue dropped by THB 166 million, or 50 percent. The Company earned THB 165 million from the hotel business in the previous fiscal year. When compared to the previous year, which had normal conditions during the first five months, during this most recent fiscal year the Company was affected for the entirety of the year.
- As for management fee revenue, this decreased by THB 55 million, or 20 percent. The Company has revenue from management fees of THB 212 million. This is due to the fact that there were still two construction management projects in the previous year, namely the Samyan Mitrtown project and the renovation of the Queen Sirikit National Convention Center project. This year, only the renovation of the Queen Sirikit National Convention Center project remains.
- The Company's total costs and expenses decreased by THB 2,551 million, or 18 percent, while its overall operating profit decreased by THB 1,300 million, or 52 percent.
- The Company recognized a loss from investments in associates and joint ventures. This loss was reduced by THB 30 million, mainly due to a decrease in the loss from the Samyan Mitrtown project.
- In terms of finance costs, the capitalization of interest expenses from financial lease liabilities, in accordance with International Financial Reporting Standard No. 16 re: Lease Agreements, resulted in a THB 46 million increase. In addition to the cessation of construction on some projects, interest could not be recorded as project operating costs, resulting in the Company's profit for the year 2021 being THB 601 million, a decrease of 62 percent.
- With regard to the profits attributable to equity holders of the parent, the net profit was THB 636 million, down 61 percent from the previous year (which can be calculated as earnings per share of THB 0.27 per share in 2021).

- In terms of the Company's statement of financial position, the Company's total assets were THB 46,146 million, down THB 847 million, or down 2 percent from the previous year, owing primarily to a decrease in cash. This is due to a decrease in the number of home transfers in the last two days before closing accounts. In addition, due to the investment in the Silom Edge building, there are more investment properties this year. The total assets of the Company have decreased overall.
- In terms of total liabilities, the Company had total liabilities of THB 26,687 million, a decrease of THB 2,819 million, or 10 percent, primarily due to a decrease in deferred lease income of THB 6,129 million due to the implementation of new financial reporting standards. The full recognition of deferred income as retained earnings increased from the beginning retained earnings by THB 2,239 million, according to the new financial reporting standards.
- The shareholders' equity of the Company amounted to THB 19,459 million, an increase of THB 1,972 million, or 11 percent growth from the previous year.

The Chairman then asked the Meeting whether or not any shareholders wished to ask any questions or express any opinions.

No shareholders asked any additional questions and/or expressed any further opinions. The Chairman, therefore, proposed that the Meeting acknowledge the Company's performance report for the year ended 30 September 2021.

The Chairman informed the Meeting that this agenda item was only for acknowledgment, and, therefore, no voting was required.

Agenda Item 3: To consider and approve the audited financial statements for the year ended 30 September 2021

The Chairman proposed that the Meeting consider and approve the statements of financial position and the profit and loss statement for the year ended 30 September 2021, which were audited by KPMG Phoomchai Audit Ltd., the certified public accountant of the Company, and concluded that the financial statements showed financial positions and operating results that were prepared fairly and accurately in all material aspects, in accordance with the Thai Financial Reporting Standards, and that these financial statements were approved by the Board of Directors. The details are as set out in the 2021 Annual Report, which was delivered to the shareholders with the notice calling this Meeting.

The Chairman then asked the Meeting whether any shareholders wished to ask questions or express opinions.

No shareholders asked any questions and/or expressed any opinions. The Chairman, therefore, proposed that the Meeting consider and approve the statements of financial position and the profit and loss statement for the year ended 30 September 2021.

Agenda Item 4: To consider and approve the allocation of profits for legal reserve and dividends payment for the year ended 30 September 2021

The Chairman delegated Mr. Somboon Wasinchutchawal, Director and Chief Finance Officer, Finance, to inform the Meeting of the details.

Mr. Somboon Wasinchutchawal, Director and Chief Finance Officer, reported that, subject to Section 116 of the Public Limited Companies Act B.E. 2535 (1992) (including any amendment thereto) (the “**Public Company Act**”) and Article 40 of the Company’s Articles of Association, the Company shall allocate no less than five percent of its annual net profits, less accumulated losses brought forward (if any), to a reserve fund, until the fund attains an amount equal to no less than ten percent of the Company’s registered

capital, unless a greater reserve fund amount is required by the Articles of Association of the Company or other laws.

Presently, the Company has registered capital of THB 11,037,670,000 million. Therefore, the Company shall have a reserve fund of no less than THB 1,103,767,000. As of 30 September 2021, the Company had a legal reserve fund of THB 460 million. Therefore, in the year 2021, the Company had to allocate an annual legal reserve fund of not less than five percent of its net profit; the Company had a net profit in separate financial statements of THB 1,682.96 million and had to allocate THB 84.15 million. The Board of Directors, therefore, proposed to allocate the Company's legal reserve fund by rounding up to THB 90 million, resulting in the legal reserve fund of the Company having a total of THB 550 million.

For dividend payment, the Company has a policy of distributing its dividends at a rate of not less than 50 percent of its net profits after tax deduction and allocation of reserve funds under the consolidated financial statements. The dividend payment will be considered based on the Company's operating status, financial status, and other factors related to the management of the Company's business, as appropriate.

In 2021, the Company had a net profit under the consolidated financial statements of THB 637 million, whereby the Board of Directors deemed it appropriate to propose that the Meeting consider and approve paying the dividend from the Company's net profit for the year ended 30 September 2021, at the rate of THB 0.14 per share for ordinary shares, in the amount of 2,323,720,000 shares, totaling THB 325.32 million. With regard to the abovementioned dividend payment rate, it is a rate that the Board of Directors considers to be appropriate and is in compliance with the Company's dividend policy, being 51.0 percent of the net profit based on the consolidated financial statements.

The Company will pay dividends to the shareholders whose names appear in the register of shareholders on the Book Closure Date on Wednesday, 22 December 2021. The dividend payment date is scheduled for Wednesday, 9 February 2022.

The Chairman then asked the Meeting whether or not any shareholders wished to ask any questions or express any opinions.

No shareholders asked any questions and/or expressed any opinions. The Chairman, therefore, proposed that the Meeting consider and approve the allocation of profits as a legal reserve and the dividend payment derived from the operating results for the year ended 30 September 2021.

The Book Closure Date is scheduled as the date to refrain from registering the transfers of shares in order to stipulate the list of shareholders with the right to receive the dividend from the operating profits for the year ended 30 September 2021, which shall be Wednesday, 22 December 2021, with the date of dividend payment being Wednesday, 9 February 2022.

Agenda Item 5: To consider and approve the election of directors replacing those being retired by rotation for the year 2022

The Chairman informed the Meeting that, in compliance with Section 71 of the Public Company Act and Article 17 of the Company's Articles of Association, which provide that at every annual general meeting of shareholders one-third of the directors who have held office the longest shall vacate office in proportion, whereby a director who vacated office under this provision may be re-elected, in this Meeting, there are two directors who shall retire by rotation this year, as follows:

- 1) Mr. Thanapol Sirithanachai Director
- 2) Mr. Withawat Koottatep Director

To enable the shareholders to cast their votes independently, Mr. Thanapol Sirithanachai and Mr. Withawat Koottatep requested to leave the Meeting room during the consideration of this agenda item.

The Board of Directors, excluding the interested directors, considered suitable candidates for the directorship positions through prudent screening, and assessed that the suitable candidates should be knowledgeable and competent, with skills and specific expertise beneficial to the business operations of the Company. Furthermore, the candidates chosen should have good morals, vision, and perspective, and a readiness to fully carry out their duties to the best of their efforts and have complete qualifications. The Board of Directors thus deemed it appropriate to propose that the Meeting consider and approve the election of the two directors who were due to retire by rotation to hold office as directors for another term. In the case of the Company, one-third of the total number of shares is equal to 774,573,333 shares. However, for the purpose of the transparency of the Meeting and providing equal rights to all groups of shareholders, there should not be any additional agenda items for consideration apart from those listed in the notice calling the Meeting, as the shareholders have studied the information and have already cast votes.

The Chairman asked the meeting if any shareholders wished to propose matters apart from those listed in the meeting agenda or not.

No shareholder proposed any matter for the meeting's consideration.

Shareholder's meetings other than the one referred to in the first paragraph shall be called extraordinary general meeting.

Article 27 The Board of Directors may summon an extraordinary meeting of shareholders whenever the Board of Directors may deem appropriate or when one or more shareholders holding shares amounting to not less than 10 (ten) percent of the total number of issued shares may submit a written request signed by them requesting the Board of Directors to summon an extraordinary meeting of shareholders at any time but they shall give subject and reasons for such request in the said letter.
